

For two decades we've been partnering with teaching organizations to make vasectomy training more accessible. We're happy to loan **LiBrand™ No-Scalpel Instruments** and other equipment to help make your training program more effective.

The following guidelines will help you to arrange for a loan of training equipment.

Guidelines

1. A completed copy of this form must be returned by fax to this office before items are shipped.
2. Please note that you will be responsible for the cost of any shipping or return of merchandise.
3. It is required that your company have a valid credit card on file with us in the event of lost or damaged materials.
4. Materials must be carefully examined upon receipt to ascertain any error, damage or shortage. Claims for such must be made to our office within 48 hours of receipt of merchandise or charges for materials will be applied.
5. To avoid charges, all items must be returned at least 1 week after the program's end date.

Waiver

Prior to using these materials, I certify that I understand the potential risks. I further certify that I will use these instruments at my own risk and liability. I, my employees, students and anyone acting on my behalf promise and agree to hold Advanced Meditech International harmless and free of any and all liability for any reason related to the use of these products.
